(Business Development Cell)
Bhopal House, Lalbagh, Lucknow.

No. GM(EB) /UP(E) / GoUP/ NMEICT / 2009-10

Dated 27.08.2009.

To,

The Secretary,
Higher Education,
Govt of Uttar Pradesh, Lucknow.

Subject: Connectivity to Colleges of UP under National Mission on Education through ICT.

Please refer our discussions in your kind office on 19.08.09 on the above mentioned subject. BSNL Corporate Office & MHRD have now issued instructions to all concerned for the commercial terms of the above said connectivity.

As you are aware, providing connectivity to the Colleges, Institutions and Universities is a key component of the NMEICT, so that the high quality e-content could be reached to the teachers and students of these educational organisations. The connectivity under NMEICT would seamlessly integrate with the National Knowledge Network (NKN). You would be glad to know that the work of providing connectivity to these organisations has already been initiated by Bharat Sanchar Nigam Limited (BSNL), which has become a partner in this Mission by investing its resources.

While 1Gbps connectivity to NKN for 10 years and 400 node LAN for each of the Universities in the Country has been envisaged under NMEICT at 25% cost to the Universities, to begin with the Colleges and Institutes, BSNL will be providing 10 connections of 512 Kbps VPN over Broadband, to each of the Colleges/Institutions recognised under section 12-B of the UGC Act. These colleges will have to bear only 25% cost of this connectivity by paying their contribution directly to BSNL. The total financial burden on each College/ Institution on account of this level of connectivity is Rs.12,409/- for one year. (A sample Demand Note indicating cost payable to BSNL per college is enclosed) Rest 75% cost would be borne by NMEICT by making direct centralised payment to BSNL.

Kindly instruct all the universities & colleges under you for depositing their share of connectivity charges to BSNL for completing the work on time.

et ans

D.O.No. F. 16-3/2009-DL

21st August, 2009

Dear Sir / Madam,

Kindly recall my earlier letters of even number dated the 9th January, 2009 and the 13th July, 2009 respectively (copies uploaded on our website www.sakshat.ac.in) regarding the National Mission on Education through ICT (NMEICT), inviting participation of your Institution and experts in the mammoth exercise of e-content generation, teacher empowerment and adopting e-learning as an effective means of teaching-learning activities. While some project proposals from the Universities and Institutions have started trickling in, the need is to accelerate this process and convert this into a movement for utilising the ICT tools to enhance the quality of instruction and reach of the educational delivery system to the unreached. I once again urge you kindly to proactively participate in the Mission and put creativity of your organisation to the best service of the Nation by utilising the resources (Rs. 900 crore) made available in the current year's budget.

2. As you are aware, providing connectivity to the Colleges, Institutions and Universities is a key component of the NMEICT, so that the high quality e-content could be reached to the teachers and students of these educational organisations. The connectivity under NMEICT would seamlessly integrate with the National Knowledge Network (NKN). You would be glad to know that the work of providing connectivity to these organisations has already been initiated by Bharat Sanchar Nigam Limited (BSNL), which has become a partner in this Mission by investing its resources.

3. While 1 Gbps connectivity to NKN for 10 years and 400 node LAN for each of the Universities in the Country has been envisaged under NMEICT at 25% cost to the Universities, to begin with the Colleges and Institutes, BSNL officials will be providing 10 connections of 512 Kbps VPN over Broadband for unlimited use, with internet connectivity, to each of the Colleges / Institutions recognised under section 12-B of the University Grants Commission (UGC)-Act. These Colleges will have to bear 25% of the cost of this connectivity by paying their contribution directly to BSNL. The total financial burden on each College / Institution on account of this level of connectivity would not exceed Rs. 15000/- in the current financial year. Rest 75% cost would be borne by NMEICT by making direct centralised payment to BSNL. As an Institution / College starts using more and more of bandwidth, the number of connections to those active users would gradually be enhanced to upto 20 connections per Institution. With a view to encouraging BSNL to bring, at its cost, optical fibre to as many Colleges / Institutions as possible, it would be desirable if the Colleges / Institutions consider providing some

space for setting up a mobile tower in their campuses. For participating in this scheme, the Colleges / Institutions may expect / require your concurrence.

4. I shall be grateful, if you could kindly issue suitable instructions to the section 12-B recognised Colleges / Institutions of your University. I am also sending a copy of this letter to the Principal Secretary / Secretary of Higher Education of your State and also to all the Principals / Directors of UGC section 12-B recognised Colleges / Institutions. Let me add that the Mission covers all the educational institutions in the Higher Education domain, whether in public or private sector, and they would also be covered once their list is authenticated by State Govts. / Universities, for which a separate letter follows with a compiled list of such Institutions.

With regards,

Vice Chancellors of All the Universities in India.

Yours sincerely,

(N.K. Sinha) 21.8.09

Copy to: Principals / Directors of All the Colleges / Educational Institutions in India,
Principal Secretary / Secretary of Higher Education of All the States,
CMD, BSNL, New Delhi.

Bharat Sanchar Nigam Limited
(A Govt. of India Enterprise)
OFFICE OF THE CHIEF GENERAL MANAGER
U.P. (East) TELECOM CIRCLE
(EB CELL)

1st floor Bhopal House, Lalbagh, Lucknow.

Advice Note No. UP(E)/BB/NMEICT/09-10/05

dated 02-09-09

1. Payment Particulars

- Cheque No. : Payment Awaited (75% Directly from NMIECT: ND + 25% from the college)
- Amount : Rs. 12,409/- per institute/College(25% of the total charges)
2. Demand Note No. : UP(E)/EB/NMEICT/2009-10 Dated 29-08-09
3. Site Details : As per the list at Annexure I
4. Name of Work : 10 No.s of VPNoBB @ 512 Kbps without Internet access on existing landline & thereafter along with incoming only SULABH telephone* without telephone set
5. No. of Locations : locations as per Annexure I

Billing cycle.....Annual One year Advance

Kindly provide the VPNoBB connection as detailed above and send the commissioning report in the enclosed proforma to DGM(IT) Circle office on FAX No. 0522-2234237/Email vs.kush@gmail.com and also to EB cell Circle office on FAX No. 0522-2626800/Email btcell_upc@bsnl.co.in.

Note:- *1. All existing telephone lines are to be utilized for giving the connections to the colleges. However, if the existing connections are less than 10 landlines, free copper lines with only incoming facility and without telephone instruments need to be provided after issuing appropriate Advice Note for the same.

- The primary domain name of "nme.in" is already created for the whole project. The user will dial with username@nme.in. The domain names for the colleges will be created by Field Units(Node incharges) with the domain name as statecodecollegename.nme.in and will be mapped internally to "nme.in" domain. This is created to ensure the availability of college wise billing and report generation.
- The domain statecodecollegename.nme.in will be created by the FIELD UNITS(Node incharges). For example R.V College at Bangalore, Karnataka will have a domain name "kkrvcollge.nme.in".
- Child user will be created nme_8022200806 under the above domain where 22200806 is the number on which BBoVPN is provided. The user name can be chosen based on the preference given by the college co-ordinators or as per the above format used ("CUSTOMER MNEMONIC_TELEPHONE NUMBER WITH STD CODE") for child account creation.
- The college wise domain list is available on Broadband Network Circle Site BNW/BLR/NME/2009-10 dated 02-09-09
- The Node Incharges are requested to be in touch with NME cell formed for this project in Bangalore whose details are given below in case of any problems regarding the process/implementation.
